

Curriculum Vitae

Personal Information:

Last Name: Mehdizadehkashi

First name: Abolfazl

Birth Date: 23 april 1954

Birth Place: Kashan Iran

Living place: Tehran

Academic degree: Gynecologist MIS fellowship

Academic Rank: Professor

Work Address: Iran Medical University Hazrat Rasool (s) teaching Hospital Sattarkhan ave.
nyayesh str.Tehran

Tel: 021 66509283 09121176057

Emails: amehdizadehkashi@yahoo.com mehdizadehkashi.a@iums.ac.ir

Education:

- 1- General Physician Shaheed Beheshti Medical University 1980
- 2- Ob. Gyn. Speciality Iran Medical University 1989
- 3- Hysteroscopic surgery course Paris University 1998
- 4- laparoscopic surgery course Berlin University 1994
- 5- Ob. Gyn.sonography course Iran Medical University 2000
- 6- Advanced laparoscopic surgery course Stanford University 2002

7- Minimally invasive Surgery Fellowship Iran Medical University 2012

Experiences & Positions Held:

Vice dean of paramedical school from 1983 to 1985

Ob.Gyn. resident of Iran Medical University 1985 to 1989

Professor of Ob.Gyn. IUMS since 2005

Educational deputy of Iran Medical school from 1997 to 2005

Head of department of Ob. Gyn. Assistant 2004 to 2007

Iran Medical School Dean 2005

Head of Ob.Gyn. department of Hazrat Rasool(s) hospital since 2005

Lecturer of breastfeeding and neonatal resuscitation workshop of IUMS and health ministry since 1997

of laparoscopy and hysteroscopy workshops of IUMS since 2005 secretary o

of IUMS 2001 to 2007 secretary of Ob.Gyn. tutorial courses

2005 Secretary of international Ob.Gyn. congresses since

Secretary of MIS international congresses since 2014

Member of Ob.Gyn national board exams since 2003

Member of maternal mortality and morbidity reduction committee of MH and IUMS since 1993

Member of promotion and safe natural delivery committee of IUMS since 2005

Iran Medical School 2001 to 2005 Member of assessment committee of

Member of board of Germany FMF 2004

Expert in primary and supreme Iran Medical Council since 2000

of minimally invasive medicine since 2008 Member of the specialized committee of Ob.Gyn of the fore

Founder and director of laparoscopic fellowship in Iran Medical University since 2013

Founder and director of Endometriosis Research Center of Ira Medical University since 2014

Founder and secretary of Minimally Invasive Gyn.Surgery society since 2014

Member of national contraception committee since 1995

Member of the editorial board of the Kordestan Medical University journal since 2001

Member of the editorial board of the Hamadan Medical University journal since 2001

Member of the editorial board of the Iran Medical University journal since 1993

Member of the editorial board of the Azad Medical University journal since 2003

Member of the editorial board of the Ebnesina fertility sterility journal since 2001

Educational courses as teacher:

Basic laparoscopic workshops

Hysteroscopic workshops

Newborn restoration workshops

Laparoscopic hysterectomy workshops

Maternal mortality reducing workshops

Publications:

- 1) Comparison of clinical versus estimation of fetal weight, Am.j.of perinatology2000
- 2) Epidemiology of burn injuries during pregnancy in Tehran – Iran Annals of burns and disasters 2002
- 3) Zinc and selenium status of Iranian women in normal pregnancy and miscarriage – trace Elements in medicin/vol 6(4): 23-26 2005
- 4) Evaluation of the impact of birth preparation courses on the health of the mother and the newborn – Am. j. of perinatology 2005
- 5) The prevalence of Chlamydia trachomatis in Iranian Asymptomatic women – Research j. of medicine and medical sciences 2006
- 6) Double – blind randomized comparison of lidocain and saline for cervical anesthesia in IRAN-Annal of Iranian medic in 1383
- 7) Rupture of splenic artery Aneurysm in a pregnant woman with portal hyper tension - Annals of Iranian medicine 1383
- 8) Copper and zinc status of Iranian women during normal healthy pregnancy – Iranian journal of public health 1384
- 9) Determination of Asymptomatic Chlamydia Trachomatis Infections by Omp1 GENE Based-PCR yakhteh Medical Journal Vol 10 , No 1 , Spring 2008
- 10)Diagnosis of endometrial nerve fibers in women with Endometriosis – Archives of Gyn.and ob.volume 284 No.5/2011
- 11)Study of antioxidant enzyme levels in mild and severe preeclampsia and normal pregnancies-Journal of the Iranian Chemical Society Vol .6, November 2009
- 12) Role of Endocrine Disrupting Chemicals in the Occurrence of Benign UTERINE Leiomyomata : Special Emphasis on AHR Tissue Levels Vol 13.2012
- 13) Placenta Percreta Invading Broad Ligament and Parametrium in a Woman with Two Previous Cesarean Sections : A Case Report Volume 2012,Article ID 251381 , 4 page
- 14) Colonic obstruction as an unusual presentation of endometrioma: a case report. Surg laparosc endosc percutan tech.2013 jun;23(3):e 131-3.
- 15) Assessment ofC-reactive protein and C3 as inflammatory markers of insulin resistance in women with polycystic ovary syndrome: a case –control study – J Reprodinfertil .2013;14(4).
- 16) Effect of preoperative nursing visit on preoperative anxiety and postoperative complications in candidates for laparoscopic cholecystectomy : a randomized clinical trial, Scand J Caring Sci.2013 Dec : 27(4):994-8.
- 17) Diagnosis of endometrial nerve fibers in women with endometriosis . Arch Gynecol Obstet.2011 Nov 284(5): 1157-62.

18) Effects of simvastatin in prevention of pain recurrences after surgery for endometriosis. Med Sci Monit .2013 Jul 5 ; 19 : 534-9.

19) Determination of the effect of vaginal misoprostol in cervical ripening before operative hysteroscopy in premenopausal women without history of normal vaginal delivery. Acceptation . 2013.

20) Assessment of C-reactive protein and C3 as inflammatory markers of insulin resistance in women with polycystic ovary syndrome : a case –control study . J Reprodinfertl .2013.

21) Laparoscopic approach to a very big ovarian fibroma : a case report. journal of reproduction and infertility (IRI), Acceptation . 2013.

22) Hardly worth the effort? Medical journals policies and their editors and publishers views on trial registration and publication bias: quantitative and qualitative study. Medical journals .2013.

23) Criticizing the effect of ovarian suspension on adhesions in laparoscopic surgery for endometriosis. Human Reproduction , vol.0 pp.1-1,2014.

24) Visual acuity changes during pregnancy and postpartum : A cross-sectional study in Iran. Journal of pregnancy , Vol 2014, Article ID 675792,4 page.

25) Rectal perforation in a 42-year-old woman due to henoch-schonlein purpura : a case report ,

26) How to prepare biological samples and live tissues for scanning electron microscope (SEM), GMJ , 2014; 3(2):63-80.

27) Evening primrose oil effect on the ease of cervical ripening and dilatation before operative hysteroscopy , Thrita, 2015 September ; 4(3):e29876.

28) Relationship between sperm parameters and intracytoplasmic sperm injection outcome , middle east fertility society journal, 12 April 2015.

29) Clinical predictive factors for diagnosis of endometriosis in Iranian infertile population, J Minim Invasive Surg Sci, 2015 August ; 4(3):e 2436.

30) Leiomyosarcoma of the broad ligament with fever presentation: A case report and review of literature , Iran Red Crescent Med J. 2016 April; 18(4):e33892.

31) Comparing the serum lipid profile levels in women suffering from endometriosis with healthy women , J Minim Invasive Surg Sci , 2014 August ; 3(3) : e19818.

32) Ultrastructural investigation of pelvic peritoneum in patients with chronic pain and subtle endometriosis in association with chromoendoscopy , the journal of minimally invasive gynecology , 2016/09/13

32) Comparing the efficacy of surgery and medical therapy for pain management in endometriosis : A systematic review and meta-analysis, Pain Physician Journal , 2017; 20:185-195.

- 33)Rectal perforation in a 42-year-old woman due to henoch-schonlein purpura: a case report, *Reumatismo*, 2016;69(3): 131-133.
- 34)The effect of obesity and overweightness on age of menopausal females, *shiraz E-Med J*, 15 september 2017.
- 35)Conservative management of ovarian fibroma in a case of gorlin syndrome coexisting with endometriosis ; case report , *International journal of fertility & sterility* , Apr-Jun 2018
- 36)An introduction to the royan human ovarian tissue bank, 18 jan 2016
- 37)Determination of the effect of vaginal misoprostol in cervical ripening before the operative hysteroscopy in premenopausal women without history of normal vaginal delivery, *Journal of minimally invasive surgical sciences*, 2017.
- 38)Simultaneous extraction of a retained surgical gauze from bladder and uterus 17 years after cesarean section: A rare case report , *Irania red crescent medical journal* , 2017.
- 39)pregnancy in Non-Communicating Rudimentary horn of a unicornuate uterus 2018.318-20p.
- 40)The effect of obesity and overweightness on age of menopausal females.*shiraz E-Medical journal*.2017;18(10).
- 41)The impact of laparoscopic cystectomy on ovarian reserve in patients with unilateral and bilateral endometrioma.*international journal of gynecology & obstetrics*.2016:136(2):200-4.
- 42)*A case of pelvic peritoneal damage by laparoscopy instruments revealed under scanning electron microscope (SEM)2016*
- 43-*The incidence of hymen damage during hysteroscopic operations in rasool hospital from 2004 to 2014**azad university j*.2016:26(1):66-68
- 44-*A case report of peritoneal damage defined by Electronic microscope by laparoscopic instruments j.of ob.gyn. &infertility 2016:19(2):29-32*
- 45-*The incidence of pregnancy rate after TL in IUMS hospitals .surgeons endoscopy j*.2004 :14(4)
- 46-*To evaluate large intestine trauma during laparoscopic endometriosis surgery . j.of surgeons endoscopy*.2003 :15 (3)
- 47-*To compare laparoscopic pelvic abcess management with laparotomy. J.of surgeons endoscopy*.2001 :2(3)
- 48-*Laparoscopi management of ovarian cysts in menopause women. J. of surgeons endoscopy 2001:1 (1)*

49-Evaluation of the enzyme activity of antioxidant of red blood cells of mild and moderate preeclampsic and healthy pregnant women. journal of azad university 2009

50-To compare effectiveness of letrozol and clomiphene in management of infertility in polycystic ovarian syndrome. Journal of azad medical university 2009

51-Study of free 8-iso-prostaglandin in preeclapmtic pregnant women and to compare with normotensive pregnant women. Journal of azad medical university 2009

52-To study maternal and neonatal influences adding midazolam to bupucaine in combined spinal-epidural in elective cesarian section. J. of Iran medical university 2008:60(61)

53-To study the effect of clonidine premedication on hemodynamic responses during laparoscopic operations under general anesthesia. J.of Iran medical university 2005

54-A case report of endometrial cancer associated with two types adenosquamous and papillary serous with high serum level betaHCG. Journal of azad university2007

55-Evaluation of advantage and disadvantages of laparoscopic management of ectopic pregnancy. J. of Iran medical university 2005

56-The importance of oral health and dentistry in different periods of women life. Journal of young dentists 2005

57-Comparative study of two clinical and ultrasound methods of embryo weight estimation. Journal of azad university2004

58-Comparative study of two methods of laparotomy and laparoscopy in tubo-ovarian abcess. Journal of azad university 2004

59-To evaluate relationship of serum levels of zinc and selenium with abortion. Journal of azad university 2004

60-To evaluate relationship of fundal height to maternal abdominal circumferences and BMI with neonate weight. Journal of azad university 2004

61-A case report of uterovesical fistul after pregnancy with IUD and repeated cesarian section. J. of Iran medical university 2003

62-Assessment of 100 acute abdomen cases during pregnancy referred to Iran medical university hospitals. J. of Iran medical university 2003

63-To study incidence of intracranial hemorrhage in premature neonates lower birth weight 2000 gr and less. J. of Iran medical university 2003 autumn

64-Evaluation of patient positions on level of epidural block in anterior-posterior repair operations. Journal of anesthesiology and intensive care 2002

65-To compare effect of lidocaine and saline on uterine cervix anesthesia during curettage. J. of Iran medical university 2000

66-To study age of onset of menopause and affecting factors on it in REY city women.j. of feyz kashan medical university1999

67-A case report of paroxysmal hemoglobinuria during pregnancy. J. of feyz kashan medical university1999

68-To evaluate 3000 cases pap smear in client referral to health centers. J. of feyz kashan medical university1999

69-The role of cytokines in human reproduction, review article.j. of Iran medical university 1994

70-A case report of unusual precocious puberty . journa of Daroo Darman 1993

71-Poly ovary syndrome: revive article. J. of feyz kashan medical university1972

72-The effect of space travel on reproduction. journa of Daroo Darman 1993

73-Occupational health of Workers from yesterday to today. Journal of sanat 1991

Books:

i- The principal of laparoscopy 1997 published by teimoorzadeh

2- Obstetric emergencies 1998 published by hyyan

3- Surveillance of pregnant women and infants at risk1995 published by ministry of health

4- Maternal health integrated care 2002 published by ministry of health

5- National guide for the provision of obstetrics and gynecology, mother friendly hospital 2006 published by ministry of health

6- Fasting from a medical perspective 2016 published by negin sabalan

Congress presentations:

More than hundred national and international speeches ,some are:

- 1- endometriosis, medical or surgical management in infertility. German-Turkish international congress Cyprus 2018
- 2- Prevention of Complications of Gyn. Surgeries. jame-jarrahan cong.endoscopic branch. Tehran 2018
- 3- Management of bilateral OMA. International cong. Of MIS Tehran 2017
- 4- Management of endometria ca. in young patients. International cong. Of Ob. & Gyn. Tehran 2016
- 5- Laparoscopic management of pelvic masses 2015 gyn. Cancers cong. Tern
- 6- Management of chronic pelvic pain 2014 pain and anestheliogy cong. Tehran
- 7- The role of endoscopy in infertility. 2013 fertily and sterility cong Yazd
- 8- **Sero diagnostic test for detection of Chlamydia trachomatis in asymptomatic women in Iran 12th International symposium on micnbiology2008.**
- 9- **Comparing of letrozol and placebo in management of endometriosis 2007 international cong. Of Ob.Gyn. in tehran**
- 10- **Comparison of changes in cardiac out put during laparoscopy under general Anesthesia maintenance with propofol and Halothane 13th word congress of anesthesiologists Paris 2004**
- 11- **Pregnancy after failed tubal sterilization Tehran- Iran FIGO2002**
- 12- **Maternal umbilical cord blood lead level Tehran – Iran FIGO 2000 USA**
